

HOA HIEP MECHANICAL FACTORY PROJECT

Background

Hoa Hiep Mechanical Factory is invested by Hoa Hiep Engineering Co., Ltd., located at Nhon Trach 2- Nhon Phu Industrial Park, Nhon Phu District, Dong Nai Province. Specialist manufacturing factory serving SMP and export packages

Challenges

This is a factory invested by HHE as an investor as well as a contractor in the situation of tight funding but still have to accelerate the progress to complete the work as planned.

Advantage

Because this is HHE's factory, it is proactive in construction, convenient in allocating work schedules for staff, regardless of day and night rushing to complete the project but still ensuring the goal: Progress, quality, efficiency and safety.
